Dear Professor MacIver:

I have added Professor Mavor to the special committee to which you, Professor Salary and Professor Filner are members to deal with the lectures for the Bankers and the applicants who are in business.

Yours sincerely,

President.

Dear Mr. President:

You will remember that in making arrangements for the present session it was agreed that Miss McGregor be relieved of secretarial work, and should have the position of Director of Field Work. Mr. Mourè informs me that it is not so stated in his books. As we have now an office secretary in addition, it would save confusion if the new position of Miss McGregor were so indicated in the official list.

Yours faithfully,

R. M. MacIver

Dear Professor MacIver:

To-day on my return from New York I find your book and hope in a very short time to be able to read it, but for the last few weeks I have had so many engagements, chiefly away from Toronto, that it will take a little while for me to pick up. I congratulate you on having been able in the midst of all your other duties to put out what I am sure will prove to be a stimulating piece of work.

With kind regards, I am,
Yours sincerely,

President.

MEMORANDUM FOR Social Service

$1635.50 1918-19

$3365 1919-20

University of Toronto
TORONTO, CANADA

DEPARTMENT OF SOCIAL SERVICE

Dec. 10th 1919

President Sir Robert A. Falconer.

Dear Mr. President,

The following is the apportionment of honoraria to lecturers recommended for the present year:

Miss Kathleen Russell	$400
Miss Lucy Brooking	$200
Dr. H. L. Brittain	$200
Dr. W. A. Riddell	$200
Mr. F. L. Stafford	$200
Mr. L. L. Barnett	$200
Miss Margaret Sloan	$200
Miss Mary Gales	$200
Miss Anne Hodgkins	$200

In addition, the appropriation for the course on Community Organization is, for this year, to be divided between Miss McGregor ($150) and Miss Vera Parsons ($50).

This completes the list, making a total of $2200.

I am not aware that Dr. Eric Clarke, who is taking the course in Psychiatry under Dr. C. K. Clarke, is a

member otherwise of the University Staff. Of course, it might be requisite that he receive the regular honorarium of $200, though that would require a supplementary appropriation. In any case it would be desirable that, as the duration is very large, a sum of $100 (in lieu of the $200 referred to) should be allowed for examination work in this class.

Hence, in addition to the $300 required for official routine, $100 or $200, as the case may be, would be requisite if all needs are to be met.

Yours faithfully.

R. M. Maclver

The previous arrangement with the Bursar was that one half of the honoraria should be paid Dec. 15th, the remaining half March 15th

1919

President Sir Robert A. Falconer,
The University of Toronto.

Dear Mr. President,

In conformity with the plans discussed with you earlier in the year, the following additions and changes have been made in the Staff of the Department of Social Service for the year 1919-20.

(1) Miss Kathleen Russell has been added to the staff, to supervise the work in medical social service;
(2) Mr. Norman Burnette has been added, to give a course in Occupational therapy;
(3) Miss Hodgkins of the Margaret Eaton School has taken over the course in recreation to which the late Dr. Harry Smith was appointed last year.
(4) Miss McGregor and Miss Vera Parsons are sharing the course in community organization.

In addition, Dr. C. K. Clarke has recently asked to be relieved of the course in psychiatry, in favour of his son Dr. Eric Clarke, who is fully qualified to carry on the work.

The other instructors are, as last year, the following, apart from members of the regular University Staff;

Mr. F. N. Stapleford, Social Treatment of Poverty,
Dr. H. L. Brittain, The municipality,
Dr. W. A. Riddell, Industrial Investigation,
Miss Margaret K. Strong, Labour Problems,
Miss Lucy Brooking, Child Welfare, and
Miss Mary Yates, Rural Conditions.

If you approve of these arrangements, and the Bursar has not previously been notified, would you kindly give him the necessary statement, as I desire to send him notice as to the allocation of the honoraria to lecturers. As Dr. C. K. Clarke is a member of the University Staff, no appropriation has been provided in the estimates for his course.

You may remember that, owing to uncertainty as to the general arrangements for the year, no adequate provision was made for secretarial assistance on Miss McGregor's appointment as Director of Field Work. An allowance of $300 was made for a stenographer. You stated, when the arrangements for the year were settled, that some way would be found to increase this amount to what was requisite for an office secretary. Would it be possible to obtain this amount (at least $300 would be required) by supplementary appropriation or otherwise?

Yours faithfully,

R. M. MacIver

Appropriation = $2700. What are salaries to be for each?

No appropriation for this.

President Sir Robert A. Falconer,

Dear Mr. President,

Mr. Mouré informs me that he has received no notification of my appointment for the current year as acting director of the Department of Social Service or of the honorarium attached to the appointment. Would you kindly notify him of the same?

If any arrangement was made in the matter of an honorarium for Dr. Eric Clarke and also as regards an additional appropriation for office secratary, I would be glad to know of this.

Yours faithfully,

R. M. Maciver

Dear Professor MacIver:

I am very sorry that owing to some oversight your appointment as Acting Director of the Department of Social Service has not been made. I thought I had made the recommendation last June. I will, however, have it attended to at the next meeting.

Last Thursday Dr. Eric Clarke was appointed with an honorarium of $200, and I asked for $300 more for clerical assistance.

Yours sincerely,

President.

Dear Professor MacIver:

I have just had a letter from the Honourable W. N. Raney, the Attorney-General, asking whether any of our staff can get information for him with regard to the Succession duties collected in Great Britain, the United States and Australia for the purpose of comparing them with our law in Ontario. Can you get this for me, and if not, is there any one else whom you would suggest ?

Yours sincerely,

President.

Dear Professor McIver.

I ~~believe~~ entirely concur in your action in cancelling the lecture of Miss Addams. As far as I can judge from my read the bitterness is due not to her pacifism but to statements she is alleged to have made as to the character of our soldiers. If these reports are true one cannot be surprised at the indignation. ~~and she herself would not wish to to come into what might be a hostile to have her come~~
